# Salmon Catcher Lodge Charities

**division has spanned 10 years now!**

We have brought up 178 Wounded Heroes including police, firefighters and paramedics for a relaxing and healing week of bonding, friendship and fishing. We have donated a dozen trips to the Healing Waters for their veterans day auction and have brought up several terminally ill children through the Outdoor Dream Foundation. We proudly give back a portion of every package we sell to continue to honor our protectors who have given us so much. ~Terry and Angie Johnson and Family
